WHAT'S NEW?

September 14, 2020

What's New? is a weekly electronic newsletter produced and distributed free of charge to the members and constituents of the American National Standards Institute (ANSI). For a complete listing of ANSI news and events, visit www.ansi.org.

HEADLINES

Weekly COVID-19 Update: Pandemic Lessons for Building Redesign and Webinars on Worker Engagement, Health, and Well-Being

The ANSI Federation and standardization community are stepping up with guidance, resources, and initiatives to support public health, safety, and infrastructure during the COVID-19 outbreak. In this issue:

- **ASSP** Provides On-Demand Podcasts, Webinars on Worker Engagement, Health and Well-Being
- **Green Building Initiative** to Host Webinar on Pandemic Lessons for Building Redesign and Retrofit
- **RIA** Highlights Reducing COVID Risks with Robots

Cold Chain Logistics: ANSI Seeks Feedback on a Proposed Technical Committee

ANSI, the U.S. member body to International Organization for Standardization (ISO), requests feedback on a proposal for a new ISO technical committee on cold chain logistics by **October 16, 2020**. As proposed, the new technical committee would aim to establish widely applicable standards for the whole cold chain logistics system, from handling to storage.

Get Involved: New U.S. TAG on Data Usage Seeks Members

Interested stakeholders are encouraged to join a newly formed technical committee that will serve as the U.S. TAG to ISO/IEC Joint Technical Committee 1, *Information Technology, Subcommittee 32, Data management and interchange*, Working Group 6, *Data Usage*. The first organizational meeting will be held **September 22, 2020**.

Voluntary Standards Cover the Spectrum: From Secure Mobile Transactions to Nuclear Facility Sites

In this snapshot: Find out how ANSI X9.134-1-2020 supports secure mobile transactions, and how ANSI/ANS-2.27-2020 supports safety with seismic hazard assessments of nuclear facility sites, with one-third of the U.S. population living or working within 50 miles of a nuclear power plant.

Did You Know?

Did You Know? offers a quick look at the broad scope of activities underway within the American National Standards Institute (ANSI) Federation of members and partners, highlighting recent accomplishments and new resources related to standardization. In this issue:

- The **National Institute of Standards and Technology**, the **General Directorate of Standards of Mexico**, and the **Standards Council of Canada** Hold Virtual Workshop on New Mexican Infrastructure Law
- U.S. and Brazilian Institutions Announce Virtual U.S.-Brazil Conformity Assessment Workshop
- **X12** Launches New Website
- **WMIA** and **WWMA** Post Webinar with Tips for Better Virtual Meetings

PUBLIC POLICY

This week's* Federal Register *notices of potential interest …

Standards Related Notices from the U.S. Federal Register, September 7-11, 2020

Notice Pursuant to the National Cooperative Research and Production Act of 1993

PUBLICATIONS

Standards Action, September 11, 2020

ANSI's key public review vehicle enables effective participation in the standards development process.

2018 – 2019 Annual Report
