WHAT'S NEW?

July 27, 2020

What's New? is a weekly electronic newsletter produced and distributed free of charge to the members and constituents of the American National Standards Institute (ANSI). For a complete listing of ANSI news and events, visit www.ansi.org.

HEADLINES

United States Standards Strategy 2020 First Draft Open for Public Comment

ANSI has released for public comment the first draft version of the 2020 update to the *United States Standards Strategy (USSS)*. Updated every five years, the USSS describes the principles and tactics that guide how the United States develops standards and participates in the international standards-setting process. Input on the draft is requested by **August 31, 2020**.

Weekly COVID-19 Update: Virginia Adopts First-in-the-Nation Workplace Safety Standards for Coronavirus Pandemic, and a Webinar on Data Protection and Return to Work

The ANSI Federation and standardization community are stepping up with guidance, resources, and initiatives to support public health, safety, and infrastructure during the COVID-19 outbreak. In this issue:

- Virginia Adopts First-in-Nation Workplace Safety Standards to Combat COVID-19
- **ECIA** to Provide Resources and Webinar on Data Protection and Return to Work

Clean Summit 2020 to Focus on How Science and Innovation Can Support a Healthy Built Environment, with Insights from ANSI Members

ANSI encourages its stakeholders to attend the virtual Clean 2020 Summit, which will include ANSI member presentations on the current state and next steps for guidance and standards, as well as best practices to minimize risk and manage impacts of COVID-19. The virtual event will span three days: **August 5, 13 and 25**, with in-depth discussions on the scientific, economic, and social impact of the complex interactions of viral transmission in the built environment.

ANSI Welcomes Members in July 2020

ANSI proudly welcomes 14 new members in **July 2020**.

Reminder: Join ANSI's Nanotechnology Standards Panel Virtual Workshop on Advanced Materials

There is still time to register: The American National Standards Institute Nanotechnology Standards Panel (ANSI-NSP) invites interested stakeholders to participate in its virtual workshop on advanced materials on **August 19-20, 2020**.

People on the Move

People on the Move highlights the career advancements of high-level trailblazers working professionally in diverse areas of standardization, contributing every day to the strength and success of the U.S. standards and conformance community.

- The **American Academy of Forensic Sciences** (AAFS) has announced that **Donna Grogan** is its new executive director. She assumed the position on **June 15, 2020.**
- **Hargrove & Associates, Inc.**, (HAI), a subsidiary of ANSI member the **Association of Equipment Manufacturers** (AEM), has appointed **Brian Seebacher** as chief executive officer and chief technical officer. He succeeds Claire Hargrove, who remains at HAI as an executive advisor through the end of 2020.
