WHAT'S NEW?

June 1, 2020

What's New? is a weekly electronic newsletter produced and distributed free of charge to the members and constituents of the American National Standards Institute (ANSI). For a complete listing of ANSI news and events, visit www.ansi.org.

HEADLINES

Access the Webcast: Is China Gaining on America as the Leading Standards-Setter for New Technologies and Products?

During a recent webcast hosted by the Center for Strategic and International Studies (CSIS), ANSI's S. Joe Bhatia explored the role of China in international standards setting and implications for U.S. industry, as China steadily increases its engagement and leadership in global standardization.

Weekly COVID-19 Update: Aircraft for Life Saving Deliveries, a Timeline on the Coronavirus Cybersecurity Impact, and More

The ANSI Federation and standardization community are stepping up with guidance,

resources, and initiatives to support public health, safety, and infrastructure during the COVID-19 outbreak. In this issue:

- The **Aluminum Association** Launches Survey on "Understanding the Impact of COVID-19 on the Aluminum Industry"
- **ISEA** Details How PPE Manufacturers and Suppliers Respond to COVID-19
- **Lockheed Martin** Shares its Aircraft Global Relief Efforts
- **Materials Handling Industry** Offers Resources by Agency and Industry
- **Optiv** Launches Timeline on COVID-19's Impact on Cybersecurity

ANSI Extends the Invitation: Bring a Guest to the 2020 ANSI Company Member Forum

ANSI is extending a special invitation for ANSI members so that they can invite their external business contacts to the Company Member Forum (CMF) virtual meeting, to be held on **Tuesday, June 9, from 12:00 p.m.-4:30 p.m. ET.** While the annual CMF event is usually reserved for ANSI company members, ANSI is opening registration to member guests (no registration fee) to learn more about and experience the value of member benefits.

U.S. Department of Energy Issues RFI on Energy Efficiency Standards for External Power Supplies

The U.S. Department of Energy has issued a Request for Information seeking comment on energy efficiency standards for external power supplies. ANSI encourages stakeholders to submit comments by **July 6, 2020**.

ANAB Accredits Perry Johnson Registrars Food Safety, Inc., Cannabis Certification Program

The ANSI National Accreditation Board (ANAB), a wholly owned subsidiary of ANSI, has accredited Perry Johnson Registrars Food Safety, Inc., the first ANAB-accredited certification body to administer a cannabis certification program in accordance with ISO/IEC 17065.

New ANAB Video Explains Remote Assessments

A new video from ANAB explains how remote assessments are enabling programs to be accredited, even with many businesses physically closed.

People on the Move

People on the Move highlights the career advancements of high-level trailblazers working professionally in diverse areas of standardization, contributing every day to the strength and success of the U.S. standards and conformance community. In this issue:

- The **International Association of Continuing Education and Training (IACET)** has appointed Dr. (Tynetta) Ty Kelley as its new director of accreditation.
- The **International Water, Sanitation and Hygiene (IWSH) Foundation**, the charitable arm of **IAPMO**, has announced that Séan Kearney is its new managing

director.
