The World Bank Institute

*American National Standards Institute (ANSI) Joint Member Forum*

*April 4, 2013*

# The city

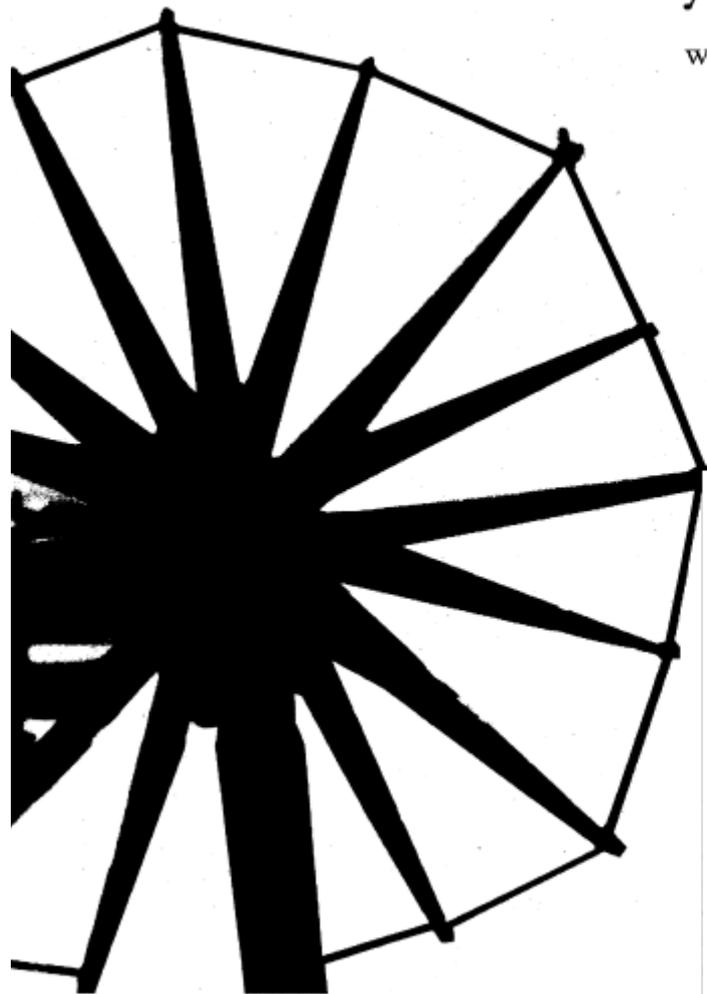

where Satyagraha's blueprint was drawn.

The city where the Charkha,

the symbol of self-reliance was set in motion.

The city which nurtured Freedom's greatest leaders.

This, our city, pays tribute to 50 years of free India.

- **Freedom's cradle**
- **Visionary Leadership**
- **Vibrant business centre**
- **Entrepreneurship**
- **Educational excellence**
- **Cultural heritage**
- **Citizen participation**

# Ahmedabad Municipal Corporation – 1994

- Bankrupt City Government
- Collapse of public services: Plague
- Low capacity, accountability and political conflicts
- Lack of professionalism
- Negative public image: insular, isolated, non-transparent
- Disconnect with the city and citizens
- Low morale of employees
  
- Supersession of Municipal Corporation
