

USNC POLICY

USNC POLICY ON DISTRIBUTION OF FREE COPIES OF IEC STANDARDS AND WORKING DOCUMENTS FOR USE IN USNC STANDARDS DEVELOPMENT ACTIVITIES

General

- IEC Standards and related working documents, such as technical publications, guides, advisory committee documents, working drafts, committee drafts and final drafts (hereinafter “Working Documents”) are protected by IEC copyright. Under circumstances described in this policy, IEC Standards and Working Documents may be provided to authorized USNC TAG Members, US-Appointed Experts, and certain third parties free of charge for use in standards development activities. Such documents remain copyright protected, however, and continue to be subject to certain other copying and redistribution limitations.

Copies of IEC Standards and Working Documents For Use By USNC TAG Members

- IEC Standards and/or Working Documents provided under this policy shall be used by the USNC, its members, the members of the USNC TAG, TAs, Deputy TAs, US-Appointed Experts, USNC TAG Secretary and others specifically identified by the USNC TAG Secretary (“Authorized USNC TAG Members”) exclusively in the formation of USNC positions on the development, national implementation or development / maintenance of IEC Standards.
- Authorized USNC TAG Members needing free copies of IEC Standards or Working Documents should obtain permission from the USNC TAG Secretary of the subject USNC TAG.
- A USNC TAG Secretary may grant a request by USNC TAG Members for free copies of IEC Standards or Working Documents in circumstances where such USNC TAG Member has demonstrated a direct need for such documents in connection with the standards development, implementation or maintenance activities of a USNC TAG. In making that determination, the USNC TAG Secretary may consult with the Technical Advisor (TA) or the USNC Office.

- USNC TAG Members who have been provided free copies of IEC Standards or Working Documents under this policy shall take reasonable steps to ensure that such documents are not further disseminated outside of the USNC TAG and shall neither post the documents on public servers nor make them available to groups of non-USNC TAG members.
- USNC TAG Members who have been provided free copies of IEC Standards or Working Documents may share such documents with individuals within their companies for the purposes of defining company positions and representations to other USNC TAG members.
- Subject to the provisions of this policy, free Copies of IEC Standards or Working Documents furnished to USNC TAG Members may be provided in an editable format which may be copied and modified by the USNC TAG Member as needed.

Copies of IEC Standards and Working Documents for Use By Certain Third Parties Outside the USNC TAG

- On a limited-exception basis, and within the sole discretion of the USNC TAG Secretary, particular IEC Standards or Working Documents may be shared with parties outside the USNC TAG if such disclosure is required to ensure that the necessary expertise (representing broad US interests) will be used in formulating decisions necessary to the standards development, implementation or maintenance activities of a USNC TAG. If the USNC TAG Secretary determines that such disclosure is necessary, he/she shall provide a single copy of the relevant document to such third party who shall have no rights to further copy or distribute such document.
- US-Appointed Experts may be provided free copies of IEC Standards under this policy and shall take reasonable steps to ensure that such documents are not further disseminated and shall neither post the documents on public servers nor make them available to other experts.

Watermarking of All Documents Made Available to Authorized TAG Members or Third Parties

- Whether made available in electronic or hard-copy format, all documents made available under this policy shall either be “watermarked” with the appropriate copyright statement in accordance with Attachment “A” or be accompanied by a cover page that includes the appropriate copyright statement. In either case, a typical “copyright” notice shall be placed in the document.

ATTACHMENT A

REQUIRED STATEMENT FOR INCLUSION ON IEC STANDARDS OR WORKING DOCUMENTS PROVIDED FREE OF CHARGE FOR USE IN US or IEC STANDARDS DEVELOPMENT ACTIVITIES

“All IEC Standards and Working Documents are copyrighted by the IEC. This copy, without regard to its form or media, whether a complete copy of an IEC Standard or Working Document or extracted portions from an IEC Standard or Working Document, retains all IEC copyrights. The conveyance of this copy does not affect IEC copyrights or transfer any copyrights.

This copy is for the exclusive use by the recipient only in the development, evaluation, use or maintenance (including adoption by US Accredited Standards Developers (ASD)) of this or other IEC publications. No other use is authorized. No further copying, distribution or use of this document is authorized. Possession by others is not authorized. This document may not be used for commercial purposes.”
