正式发布:2+22+4

正式立项:71+10+85

2017年底预计发布:30+

团体标准化最佳实践

- 探索団体标准国际化,推动CSEE标准 与国际标准、国外先进标准接轨,与电气 和电子工程师协会(IEEE)签署标准合 作备忘录
- 自主开发、上线运行"CSEE标准信息 化平台"
- 积极参与国标委、中国科协相关课题 研究,编制完成<mark>《回体标准资料汇编》</mark>

Situation of association standards in China's electric engineering

Report card of the standard

- Formal issued: 2+22+4
- Proposal: 71+10+85
- Expected to be issued at the end of 2017 : 30+

Good practice of association standardization

- •Explore the internationalization of the association standards; promote CSEE standard to connect with international standard and advanced standards of foreign countries; sign memo of the standard cooperation with IEEE
- •Information platform of CSEE standard
- ●Take an active part in related research study of SAC; formulate Data Compilation of association standards

填补空 中国质量检验协会新风净化系统系列团体标准

从设计到施工安装,九项团体标准全覆盖,从产品标准到专项标准,填补了我国新风净 化设备进校园的标准空白,从此以后,新风净化设备进校园的各个环节变得有据可依

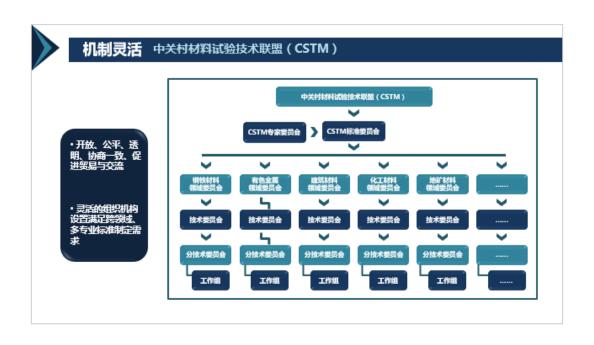

New fields

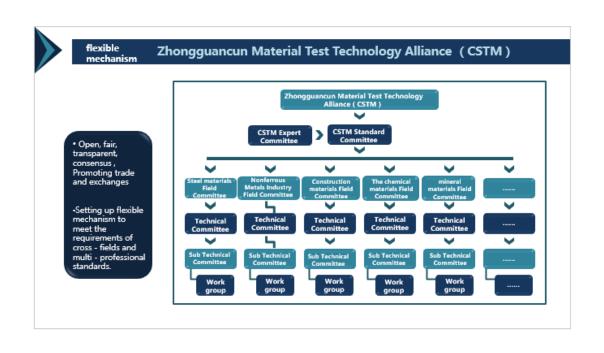

Association Standards of China Association for Quality Inspection-- Air Purification System

From design to construction installation , the 9 association standards are fully covered. Fill the standard blank of the air cleaning equipment on campus in China. Every segment of the air cleaning equipment into the campus has base on the evidence.

更高水平 中国五金制品协会五金业团体标准——关键指标达到国际同类产品较高水平

团体标准

- ·《家居五金移门滑轮系统》
- •《家庭厨余垃圾处理器》
- •《家居用功能五金拉篮》
- •《家用不锈钢整体厨柜》
- ٠

- ◆ 解决了产品国标和行标内容不全、 指标水平不高及无标准的问题
- ◆ 高水平的团体标曲的制定和发布,解决消费痛点,为消费者追求高品质家居生活提供保障
- ◆先进标准引领行业发展和技术进步 在中高端市场赢得更多的话语权
- ◆业内龙头企业参照欢盟标准制定, 起点高,亮点多,树立了行业

hi of

higher state of the art Hardware association standards of China National Hardware Association —— The key index reach the high level of international similar products

Association Standards

- •Sliding Door Pulley System of Household Hardware
- •Household Kitchen Waste Garbage
- Processor
- •Functional Hardware Basket for Household •Whole Kitchen Cabinet with Household
- Stainless Steel

٠....

- Solving the problem such as low level of the index and shortage of standard.
- ◆Providing a guarantee for consumers to pursue high quality home life.
- ♦Winning more discourse right in the middle and high end market.
- Leading enterprises in the industry.

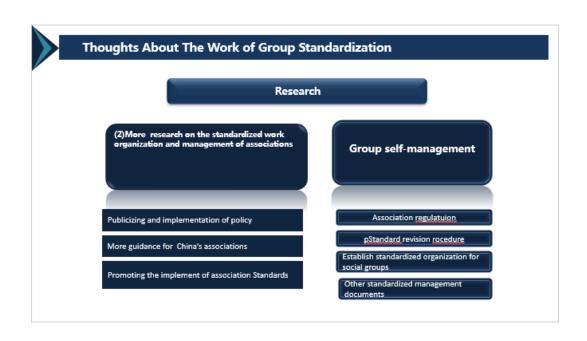

研究层面 (一)重视制度建设,加强立法、政策、规则研究,为社会团体营造良好的外部制度环境,支撑我国标准化改革发展 •《标准化法》修订通过,团体标售法律地位确立 •进一步作好我国团体标准顶层政策、制度设计 •完善我国团体标准监督管理机制 •规则

对团体标准化工作的思考

实践层面

加快推进《团体标准化 第2部分:良好行为评价》国家标准制定及《良好行为评价实施方案》制定,开展良好行为试评价工作,为将来良好行为评价工作打好基础。

持续完善全国团体标准信息平台的建设,进一步加强平台对我国团体标准化工作的 支撑作用,打造"公开的平台、服务的平台、监督的平台"。

加快团体标准合法性评判。团体标准化行为纳入信用记录体系等研究工作,推进《团体标准管理规定》制定,完善团体标准监督管理机制。

Thoughts About The Work of Group Standardization

Practice

Develop GB/T 20004.2-<Association Standardization Part 2 : Good practice evaluation >.

Improve the national information platform for association standard.

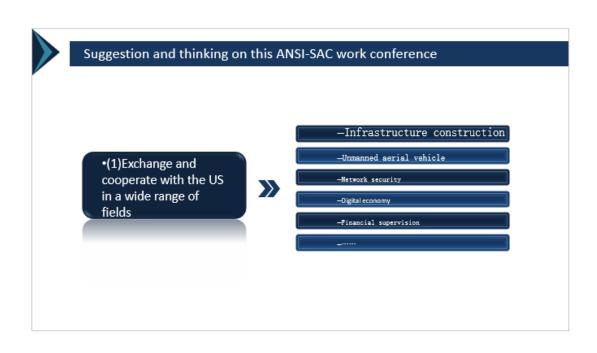

Release < Association Standard Management Rules >.

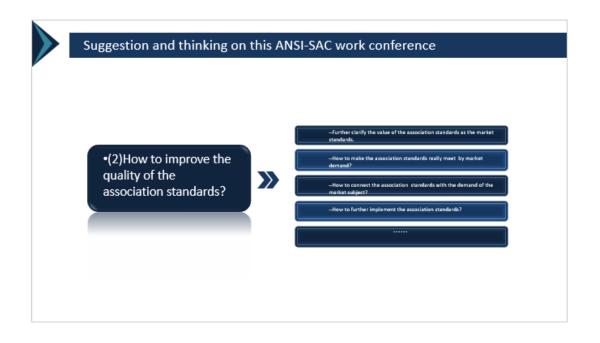

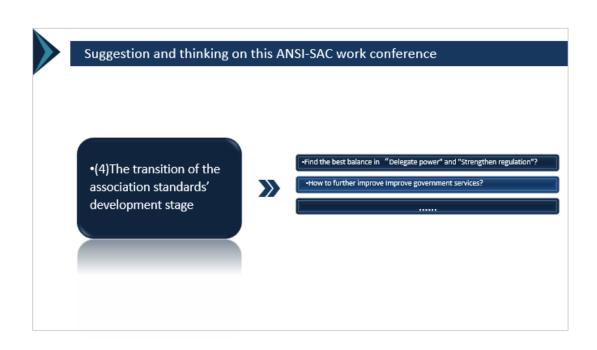

THANK YOU!
