Sponsorship Opportunities - 2027 Annual Meeting of the IECEx System

Date: September 13-17, 2027

Location: Baird Convention Center, Milwaukee, WI, USA

On September 13-17, 2027, the IECEx global community will come together in Milwaukee WI, USA for its Annual Meeting. The objective of these meetings is to continue advancing conformity assessment solutions for global certification to standards relating to equipment for use in explosive atmospheres by reducing technical barriers to trade caused by differing national conformity assessment criteria.

Sponsorships are welcome from October 1, 2026 to June 30, 2027.

This meeting will be held at the Baird Convention Center, Milwaukee, Wisconsin, USA and is being hosted by the United States National Committee to the IECEx System (USNC/IECEX).

The USNC/IECEX seeks your support in hosting the IECEx Global Community and offers the options below for sponsorship of this week-long event.

IECEX membership continues to expand, comprising all the world's major trading nations and a growing number of newly industrialized countries. Sponsorship provides the opportunity for your organization to associate with the IECEx and its vision "to be recognized as the global center of excellence in providing conformity assessment solutions to satisfy the needs of the explosive atmospheres industry worldwide". Further information on IECEx is available at www.iecex.com.

With sincere appreciation for your consideration, we welcome your interest. Should you have any questions, please contact Mike Leibowitz, USNC/IECEX Secretary, mike.leibowitz@nema.org.

About the USNC/IECEX

The USNC/IECEX manages all U.S. policy and technical participation in all the schemes of the IECEx System for Certification to Standards Relating to the Certified Equipment Scheme, Certified Service Facility Scheme, Conformity Mark License System and the Certified Persons Scheme. As the U.S. Member Body to the IECEx System, the committee also coordinates with U.S. IECEx Certification Bodies (ExCBs) to assure that National Differences to standards are accepted for use in the IECEx System and are uniform for all ExCBs. The National Electrical Manufacturers Association serves as the USNC/IECEX Secretariat organization.
