IB DECISION 2024/34

European Court of Justice Case No C-588/21 P

The IEC Board decides that IEC initiate legal action against the European Commission ("EC") by 6 December 2024, coordinating as necessary with ISO, to protect IEC International Standards against free, public disclosure by the EC.

The IEC Board further decides to ask the IEC Secretariat to develop a communication plan and elaborate a proposal by 4 December 2024 regarding which aspects would be open for negotiation with the EC in order to withdraw the legal action.
