ANAB TRAINING COURSES
EVENT REGISTRATION/HOTEL BOOKING

You will be receiving a link on November 16, to register for the event, reserving your space at the hotel. You must register for the event by Thursday, November 30. If you try to register after November 30, you will be expected to make up the difference in cost if there is one.

ANAB will pay for your hotel nights during the Assessor Development Session from the night before your meetings start, through the last day of your meetings. If your meetings end early enough in the day for you to return home that day, we ask that you do so. If international travel requires additional nights on-site at the Gaylord, please obtain approval in advance. While ANAB will pay for your hotel nights during the AD session, you will be asked to provide a personal credit card to the hotel (for incidentals) when you check in.

Any extra room nights beyond what you have been approved to use will be at your own expense and charged to your personal credit card. Our group rate at the hotel will be made available at a negotiated rate of $229/night between Thursday, January 11, 2024, and Friday, January 19, 2024 (subject to availability). Please do not contact the hotel directly to reserve room nights before and after the event, and instead include this information (check-in and check-out dates) when you register.

HOTEL EXPENSES

ANAB has established an account with Gaylord Rockies Resort & Convention Center; therefore, your sleeping room charges will be billed directly to ANAB. Please do not request any changes at check in, we are receiving a discount on the main account, and the sleeping room charges need to be a part of that discount.

Any additional incidentals you charge to your room, e.g. food, or if you stay extra nights beyond what is needed for the training, will be billed to your credit card at the end of your stay.

All additional guests are at your own expense.
You are encouraged to book travel through your Concur profile for this event. You are approved to book travel upon registration.

Remember, everyone should be booking economy class tickets and keeping the ticket price at a minimum. We are targeting airfare to be around $600 for domestic flights and $1500 for international. ANAB may not reimburse for airfare in excess of these amounts.

Please make sure you are using your best judgement and booking the most economical price airfare for this event.

You may submit invoices for AD airfare upon purchasing your ticket. International assessors over $1500 and domestic flights over $600 will be managed case-by-case. All reimbursables will be paid per your ANAB payment terms.

Please submit the reimbursables for airfare with a flight receipt on the approved ANAB AD Session reimbursement form to the ANAB accounting staff member you typically submit expense reports.
