Conference Overview

The 2015 ANSI Conference, "Standards and the Service Economy," brought leaders from international standards bodies and service providers together to discuss how domestic and international standardization can meet the diverse needs of the service sector. Speakers represented Disney, Citigroup, Oracle, the Los Angeles Department of Water and Power, ISO, and the national and regional standards bodies for the UK, Germany, Singapore, and Europe, among others.

Participants

ANSI members and interested stakeholders including those from government, industry, business, consumer groups, and academia were encouraged to attend and share their perspectives, insights, and expertise.
