

**ANSI Disclaimer:** this is an online, open-content document posting option administered by the American National Standards Institute (“ANSI”) for the use of those registering for the ANSI April 8-9, 2009 Workshop *Toward Product Standards for Sustainability*.

It contains documents voluntarily provided to ANSI by interested parties for consideration by other interested parties and/or for incorporation into a Workshop Report. Interested parties contributing to this site grant ANSI a royalty-free, non-exclusive, perpetual, world-wide license to use, distribute and copy documents for the purpose of distributing information about this Workshop and/or to incorporate such documents with attribution into Workshop deliverables.

Before posting any content, please ensure that you have the right to use it under the laws which apply in the circumstances of your intended use. Any trademarks, service marks, collective marks, design rights that are mentioned, used or referenced within this ANSI site are the property of their respective owners. Your use of any such property is at your own risk. Inclusion of documents that contain hyperlinks to another website is permitted, but does not imply any endorsement by ANSI of that site.

ANSI makes no representations or warranties, and disclaims any and all responsibility, with respect to the fitness for any purpose or use whatsoever, accuracy, correctness, completeness or scope of any text referenced within this ANSI site.
