

ANSI WORKSHOP: Standards and Codes for Electric Drive Vehicles

April 5-6, 2011 ■ Bethesda, MD ■ sponsorship opportunities

The American National Standards Institute (ANSI) Workshop: *Standards and Codes for Electric Drive Vehicles* will take place April 5-6, 2011, at the Bethesda North Marriott Hotel & Conference Center in Bethesda, Maryland. The workshop will consider current and future U.S. domestic, regional, and international standards, codes, and conformity assessment activities needed to facilitate the introduction and widespread deployment of grid-connected electric vehicles. This workshop is being convened on behalf of the U.S. Department of Energy and the Idaho National Laboratory.

Get involved in the cutting-edge development of this global technology, answering the call for innovative energy solutions for a cleaner planet and stronger economy. Sponsorship opportunities are available at the various levels below, offering your organization valuable benefits and first-hand involvement.
