## 2 ANSI STRATEGIC INITIATIVES AND MEMBER ENGAGEMENT

**2.1 ANSI AI Register**
1:20 PM – 1:50 PM
**Speaker: Mr. R. Douglas Leonard Jr., Chief of Strategic Initiatives, ANSI**
**(For Information/Discussion)**

Mr. Leonard will provide an overview of the ANSI AI Register, a neutral platform for discovering trusted information about AI systems and services, and discuss how it can strengthen transparency and confidence in the AI ecosystem. The session will explore opportunities for stakeholder engagement and participation.

**2.2 Get Your Standards from the Source**
1:50 PM – 2:05 PM
**Speaker: Ms. Mary H. Saunders, Senior Vice President, Government Relations and Public Policy, ANSI**
**(For Information/Discussion)**

Ms. Saunders will provide an overview of ANSI's "Get Your Standards from the Source" campaign, a strategic initiative ANSI is launching to raise awareness of the importance of obtaining standards directly from standards developing organizations and their authorized distributors. The presentation will highlight campaign goals, outreach efforts, and opportunities for participation, and will explore considerations related to using standards obtained through authorized sources.

**2.3 Updates from ANSI Member Forums**
2:05 PM – 2:35 PM
**Speakers:**
**Mr. Brad Wilder, Acting Chair, Organizational Member Forum (OMF)**
**Ms. Mary H. Saunders, Government Member Forum (GMF)**
**Ms. Mary Ellen R. Fise, Chair, Consumer Interest Forum (CIF)**
**(For Information)**

Representatives from ANSI's member forums will provide updates on major activities, priorities, achievements, and initiatives undertaken during 2026, along with topics and opportunities that may be of interest to company members in 2027.

**BREAK**
2:35 PM – 2:50 PM

**2.4 CMF Priorities and Direction for 2027**
2:50 PM – 3:40 PM
**Speakers: Mr. Pondillo; Vice Chairs: Mr. Muhammad Ali, HP; Mr. Stephen Walls, Boeing**
**(For Discussion)**

Building on member feedback gathered throughout 2026, and the CMF mission and objectives refresh, CMF leadership will facilitate a discussion on future priorities, sector engagement, meeting topics, leadership participation, and opportunities for stronger connections with ANSI governance, policy, and standards activities.

**Discussion Topics for Member Feedback**

- Priority sectors for CMF engagement
- Emerging standards and policy issues
- Future meeting formats and topics

- Potential sector contacts or leads
- Opportunities for collaboration with other ANSI groups

The session will conclude with preliminary recommendations on sector priorities, future meeting topics, and member engagement opportunities for 2027.

## 3 CLOSING ITEMS
