

Curriculum Vitae  
of  
Alan Manche

Mr. Manche is the Vice President, External Affairs for Schneider Electric. In this position, Mr. Manche is responsible for company strategy and participation in trade and industry associations, standards associations, standards organizations and conformity assessment.

Mr. Manche is a resident of Kentucky, USA. He holds a Bachelor of Science degree in Electrical Engineering and is a Registered Professional Engineer in the state of Kentucky. Mr. Manche also holds a Masters degree in Business Administration from Miami University.

As an employee of Schneider Electric, Mr. Manche has served in various capacities over the past 28 years. He has served roles in product design, product certification, and industry standards development for numerous electrical products and systems. Mr. Manche has also served as the enforcement liaison between the electrical inspection community and Schneider Electric.

Mr. Manche currently serves on a number of NFPA Technical Committees for NFPA 70 - The National Electrical Code, and NEC Correlating Committee, NFPA 110 Technical Committee-Standard for Emergency and Standby Power Systems, NFPA 70B Technical Committee-Recommended Practices for Electrical Equipment Maintenance, and formerly served as chair of NFPA 70B.

Additionally Mr. Manche serves in a number of leadership positions within the National Electrical Manufacturers Association. He chairs the NEMA Code Adoption Initiative. Mr. Manche represents Schneider Electric across the country at state government and building commission hearings supporting the adoption of current infrastructure codes and standards. He is a member of the NEMA Standards and Conformity Assessment Policy Committee and the Codes and Standards Committee, chairs the NEMA Water and Fire Damaged Electrical Equipment Committee, chaired the Low Voltage Distribution Section, chaired the NEMA Electric Vehicle Supply Equipment Section, chaired the NEMA Low Voltage Surge Protection product section, and is a member of the NEMA Section Affairs Policy Committee.

Mr. Manche is a member of the ANSI US National Committee Council and serves on the ANSI Executive Standards Council. He serves on the Board of Directors for the Electrical Safety Foundation International (ESFi) as well as the Fire Protection Research Foundation Board of Trustees. Mr. Manche also serves on the Board of Directors for Newton's Attic, a nonprofit dedicated to providing hands-on STEM educational opportunities.

Mr. Manche is currently the chair of the NFPA Electrical Section. He has also served as a governor appointee on the Electrical Advisory Board for the Commonwealth of Kentucky. Mr. Manche also represents Schneider Electric with the electrical inspector community through the International Association of Electrical Inspectors (IAEI). He serves on the IAEI Kentucky Chapter Board of Directors and has served on Western Section Board of Directors as Chair of the IAEI International Education Committee and the Western Section Educational Committee.
