

# WEBINAR

## ON BLOCKCHAIN USE IN SUPPLY CHAINS

11/1/2018, 11AM-12PM EST

**Tyler Mulvihill** is the co-founder of Viant.io, a blockchain-based platform for modeling business processes, tracking assets, and building the supply chains of the future. Tyler initiated, and is the Chair of, the Supply Chain Working Group within the Enterprise Ethereum Alliance (EEA). At ConsenSys, he advises Fortune 500 companies on their supply chain strategy and use-case development. Prior to joining ConsenSys, Tyler helped stand up the development of a fintech market offering focused on delivering exponential growth and operational improvement solutions to his clients. He is a registered CPA in the state of New York.
