

World Standards Week 2018

October 15–19, Washington, DC

RETAILERS ROUNDTABLE

Please join our small group of retailers to speak on challenges with standards, compliance and conformance facing the retail industry. Our objective in convening this meeting is to identify the gaps and landscape, and to develop a list of priorities which may lead to new or enhanced standards and/or conformance within the retail industry. These emerging areas include, but are not limited to:

- New or enhanced standards and/or conformance within the retail industry
- Blockchain technology
- Unmanned aircraft systems
- Recalls and expired products
- Mobile health devices
- Reverse supply chain
- Dietary supplements

October 17, 3:00–4:30pm

FHI 360

1825 Connecticut Avenue, NW, 8th Floor, Washington, DC 20009

This event is by invitation only. To request an invitation, please contact the membership team at:

membership@ansi.org ■ **(212) 642-8922**

THIS EVENT IS PART OF ANSI'S ANNUAL WORLD STANDARDS WEEK CONFERENCE

The American National Standards Institute (ANSI) is the coordinator of the U.S. voluntary standardization system. ANSI is a private, non-profit organization working to enhance U.S. global competitiveness and the American quality of life by promoting, facilitating, and safeguarding the integrity of the voluntary standardization and conformity assessment system.

For more information about World Standards Week or to register for other events, click here to visit ANSI's website.
