- Mr. Steven P. Cornish, ANSI Senior Director International Policy and Strategy
- Mr. Tony Zertuche, ANSI Director International Policy and General Secretary of the US National Committee to the IEC
- Ms. Kelley Cox, ANSI Director Business and Membership Development
- Ms. Jessica Roop, ANSI Manager International Policy
- Dr. John Kulick, Siemens, ANSI International Policy Committee Chair
- Mr. John Thompson, Underwriters Laboratories, President of the US National Committee to the IEC

US Government

- Mr. Gordon Gillerman, NIST
- Dr. Ajit Jilla, NIST

DIN

- Mr. Christoph Winterhalter, DIN Chairman of the Executive Board
- Mr. Rüdiger Marquardt, DIN Member of the Executive Board
- Ms. Sibylle Gabler, DIN Head of Government Relations

DKE (German Commission for Electrical, Electronic & Information Technologies of DIN and VDE)

- Mr. Thomas Sentko, External Relations and Support department and IEC SMB Alternate
- Ms. Yuanchao Chen, Manager International Affairs, External Relations and Support department

German Government

- Ms. Dr. Anne Kleinschrodt, Special Liaison Office, Federal Ministry for Economic Affairs and Energy
- Ms. Gesa Milbrett, Federal Ministry for Economic Affairs and Energy

1. Welcome Remarks and Introductions

08:30 – 08:40

Speakers:

- ANSI – Joe Bhatia
- DIN – Christoph Winterhalter

2. Developments in Standardization from the Governmental Viewpoint

08:40 – 09:00

Speakers:

- US Government – Gordon Gillerman, NIST
- German Government – Gesa Milbrett

3. IEC Activities

09:00 – 09:45

Speakers:

- USNC – John Thompson, George Gulla, Patricia Griffin, Tony Zertuche

- DKE – Thomas Sentko, Yuanchao Chen
 - IEC Masterplan
 - IEC/SMB Review of Systems Activities
 - IEC IT Strategy – Development of New and Better IT Tools for the IEC’s Standards and CA Communities
 - IEC Sales Policy

4. ISO Activities

09:45 – 10:30

Speakers:

- ANSI – Joe Bhatia, George Gulla, Patricia Griffin, Steven Cornish
- DIN – Christoph Winterhalter, Rüdiger Marquardt
 - ISO Commercial Policies and Royalty Relief
 - ISO IT Strategy
 - Possible Candidates for the Next ISO Vice President (Technical Management)
 - Proliferation of Chinese Proposals for New ISO Work

MORNING COFFEE BREAK 10:30 – 11:00

5. Digital Transformation of Standardization

11:00 – 11:30

Speakers:

- ANSI – Steven Cornish, Tony Zertuche
- DIN – Christoph Winterhalter, Rüdiger Marquardt

ANSI and DIN will discuss the scope of the effort to realize digital transformation of standardization, and cooperative efforts that will be necessary among international, regional and national standardization bodies to make this happen.

6. Issues Regarding the International Telecommunications Union (ITU) – Coordination of converging and emerging technology

11:30 – 11:50

Speakers:

- ANSI – Joe Bhatia, Ajit Jilla
- German Government – Gesa Milbrett

ANSI and DIN will discuss any concerns regarding the scope and work program of the ITU and its cooperation with ISO and IEC. In addition, Joe Bhatia will report on a recent meeting he had with Chaesub Lee of the ITU.

7. Report of the February 2017 ANSI/ESOs Meeting and DIN Perspectives on ANSI/ESO Relations.

11:50 – 12:10

Speakers:

- ANSI – Joe Tretler
- DIN – Rüdiger Marquardt

ANSI will provide a report on key outcomes of the February 2017 meeting between ANSI and the ESOs, and ANSI invites DIN to share its thoughts on ANSI/ESO cooperation and relations.

8. Discussion on Next Steps for the G20 Declarative Statement on the Digital Economy and Standards

12:10 – 12:30

Speakers:

- ANSI – Joe Bhatia, Ajit Jilla
- German Government – Gesa Milbrett
- DIN – Christoph Winterhalter

ANSI and DIN will discuss next steps for G20 discussions in 2017 and 2018 as a result of the declarative statement that was agreed.

LUNCH BREAK 12:30 – 13:30

9. Chinese Standardization Reform

13:30 – 13:50

Speakers:

- ANSI – Joe Tretler, John Kulick
- German Government – Gesa Milbrett
- DIN – Christoph Winterhalter

ANSI will share its recent comments on the China standardization reform initiative and discuss concerns with enterprise standards. ANSI welcomes hearing the thoughts of DIN and its company stakeholders on these concerns.

10. Sector Discussions

- **Services**
(13:50 – 14:10)

Speakers:

- ANSI – Joe Bhatia, Kelley Cox
- DIN – Rüdiger Marquardt

To discuss standardization in the field of services and to identify any opportunities for cooperation.

- **Smart Manufacturing**
(14:10 – 14:50)

Speakers:

- ANSI – Tony Zertuche, Steven Cornish
- DIN – Christoph Winterhalter

To discuss standardization in the field of smart manufacturing and to identify any opportunities for cooperation.

- Cyber Security
(14:50 – 15:20)

Speakers:

- o ANSI – Ajit Jilla
- o DIN – Rüdiger Marquardt

To discuss standardization in the field of cyber security and to identify any opportunities for cooperation.

Sector discussions are typically staff-to-staff updates on current state of activities and not in-depth discussions; simply highlights of activities, issues, concerns. Open for them to be on by WebEx as well if there is a need.

AFTERNOON COFFEE BREAK 15:20 – 15:50

- Unmanned Aircraft Systems (UAS)
(15:50 – 16:30)

Speakers:

- o ANSI – Fran Schrotter
- o DIN – Rüdiger Marquardt

To discuss standardization in the field of UAS and to identify any opportunities for cooperation.

11. U.S.-German Standards Panel 2018 16:30 – 17:00

Speakers:

- ANSI – Joe Tretler
- DIN – Sibylle Gabler

The next U.S.-German Standards Panel is planned for April/May 2018 in Washington DC. The format should be as follows: first day: evening event, second day: conference day, third day: technical visit for the German delegation. The idea is to combine the topics smart manufacturing with cyber security.

12. Review of Possible Action Items and Next Meeting 17:00 – 17:20

Speaker:

- Joe Tretler
- Sibylle Gabler

13. Concluding remarks 17:20 – 17:30

Speakers:

- Christoph Winterhalter, DIN
- Joe Bhatia, ANSI
