On behalf of ISO,
this certificate is awarded to

William Kovacich

Convenor of ISO/TC 176/SC 3/WG 19
and Project leader of ISO 10013:2021

For his dedicated work and excellent management of the Working Group reflected in each of the drafting steps being in time, decisions well documented and information being open and timely.

For leading the necessary meetings open-minded but rigorously, that led to a 100% approval on the draft standard and a guidance for documented information.

His convenorship being a guidance to others.
