[CPSC Acceptance of Third Party Laboratories: Revision to the Notice of Requirements for Prohibitions of Children's Toys and Child Care Articles Containing Specified Phthalates](#)

Published 2/1/2018

Reference ASTM

This final rule updates the notice of requirements (NOR) for the accreditation of third party laboratories to assess conformity with the prohibitions of children's toys and child care articles containing specified phthalates. The NOR provides the criteria and process for Commission acceptance of accreditation under the Consumer Product Safety Act (CPSA). This rule makes the NOR consistent with the regulated phthalates in children's toys and child care articles in the phthalates final rule published in the Federal Register on October 27, 2017. **This rule is effective on April 25, 2018. The incorporation by reference of the publication listed in this rule is approved by the Director of the Federal Register, as of April 25, 2018.**

[Pure Magnesium From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review: 2016-2017](#)

Published 1/30/2018

Reference ASTM

The Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty order on pure magnesium from the People's Republic of China (China), covering the period May 1, 2016, through April 30, 2017. Commerce preliminarily determines that Tianjin Magnesium International, Co., Ltd. (TMI) and Tianjin Magnesium Metal, Co., Ltd. (TMM) (collectively, TMI/TMM) had no shipments of subject merchandise during the period of review (POR). We invite interested parties to comment on these preliminary results. **Applicable January 30, 2018.**
