

INVITATION TO THE 2nd UNITED STATES-MEXICO-CANADA AGREEMENT (USMCA/T-MEC/CUSMA)

SMALL AND MEDIUM ENTERPRISE (SME) DIALOGUE

Thursday, September 21, 2023. Mexico City, Mexico.

Small business stakeholders are cordially invited to attend the 2nd USMCA SME Dialogue in Mexico on Thursday, September 21, 2023 in Mexico City, Mexico, hosted by the Ministry of Economy of Mexico.

The SME Dialogue is convened by the Office of the U.S. Trade Representative, the U.S. Department of Commerce, and the U.S. Small Business Administration (SBA), together the Global Economic Intelligence Unit and the Vice Ministry of Foreign Trade of the Ministry of Economy of Mexico, and with Global Affairs Canada and Canada's Trade Commissioner Service. The USMCA SME Dialogue **brings together small and medium-sized businesses and stakeholders, including those representing underserved communities**, with government officials to **discuss strengthening regional trade and investment with USMCA**, enhancing cooperation on issues of mutual interest to SMEs, and helping more small businesses benefit from the USMCA, which will foster **economic growth and jobs** in communities across North America.

In 2022, two-way goods and services trade with USMCA totaled almost **\$1.8 trillion** with the vast majority of traders from small businesses. Investments in each other's economies totaled \$1.1 trillion, which includes small business supply-chains and communities.

Topics for discussion in Mexico City include the experience of women-owned businesses in North American trade, digital inclusion of SMEs, financial inclusion of SMEs, and processes and procedures to export in North America.

A preliminary draft agenda is attached. Attendees will be able to engage in discussion with experts and learn about tools and resources to grow their businesses internationally.
