

America Makes & ANSI Additive Manufacturing Standardization Collaborative (AMSC)

DRAFT AGENDA - REVISED

Thursday, March 31, 2016, 9:00 am – 3:00 pm
 Penn State at the Navy Yard
 4960 South 12th Street
 Building 661, Symposium Room
 Philadelphia, PA

This inaugural meeting of the America Makes & ANSI AMSC builds on prior discussions with the objective of coming to agreement on a path forward for coordinating additive manufacturing standards development activity so as to maintain a consistent, harmonized, and non-contradictory set of additive manufacturing standards.

Time	Discussion Topic	Speaker
8:00 – 9:00 am	Registration / Continental Breakfast	
9:00 – 9:05 am	Opening of Meeting	Jim Williams President, All Points Additive AMSC Chair
9:05 – 9:15 am	Agenda Review Documents: AMSC 16-005 (presentation) AMSC 16-004 (summary of 26 Feb 2016 WG Mtg)	Jim Williams
9:15 – 9:20 am	Organizational Welcome	Ed Morris Vice President and Director, America Makes, National Center for Defense Manufacturing and Machining
9:20 – 9:25 am	Organizational Welcome	Frances E. Schrotter Senior Vice President & COO American National Standards Institute
9:25 – 9:35 am	Industry and National Impact Perspective Document: AMSC 16-007	Todd J. Rockstroh, Ph.D. Consulting Engineer, GE Aviation Chair, America Makes Additive Manufacturing Standards, Specs and Schemas Advisory Group
9:35 – 9:50 am	NIST Perspective Document: AMSC 16-011	Shawn Moylan Project Leader and Mechanical Engineer, Intelligent Systems Division, Engineering Laboratory

		National Institute of Standards and Technology U.S. Department of Commerce
9:50 – 10:05 am	Overview of ANSI Collaborative Process Document: AMSC 16-003	Jim McCabe Senior Director, Standards Facilitation American National Standards Institute AMSC Secretary
10:05 – 10:35 am	Define AMSC Mission, Deliverable and Timeline Documents: AMSC 16-006 (presentation) AMSC 16-009 (America Makes Technology Roadmap - Public)	Jim Williams / All
10:35 – 10:50 am	Networking Break	All
10:50 – 11:15 am	Additive Manufacturing Standards Landscape - Review of SDO inputs on Spreadsheet Documents: AMSC 16-008 (spreadsheet) AMSC 16-010 (presentation)	Jim Williams / All
11:15 – 12:15 pm	Identify Needed Working Groups for Gap Analysis and Volunteers to Lead Them	Jim Williams / All
12:15 – 2:15 pm	Working Lunch & Concurrent Working Group Breakout Group Discussions This session will provide an initial opportunity for the working groups agreed to in the morning session to initiate discussion and to organize themselves for the work going forward. Substantive questions for each working group to consider are: Is the standards landscape filled out for our WG area? If not, take an action item to assign volunteer(s) to flesh it out. Are any gaps in standards immediately apparent? What are the industry needs and issues in this subject area? Are there any significant harmonization / coordination issues of concern? What will be our virtual meeting schedule to move forward?	All (Participants will self-select which working groups they wish to participate in at the meeting)
2:15 – 2:45 pm	Working Groups Report Back to Full Group	All
2:45 - 3:00 PM	Wrap-Up and Next Steps	Jim Williams

Note: An informal “no host” networking reception will be held on March 30th, the night before the meeting, at 6 pm at the Bistro in the [Courtyard Philadelphia South at Navy Yard](#), 1001 Intrepid Avenue, Philadelphia, PA (215) 644-9200.
