- Full TC Meetings
- IRT Content, Editorial and Quality Review
- *Connectathon*
- *HIMSS Conference*

HITSP Work Vectors

❑ This year, we are faced with receiving work from various sources, even when coordinated by ONC

- SSA Use Case

- Clinical Research

- Quality Measures

❑ This is potentially a sign of things to come

- Value Cases (?)

- Stimulus-Induced Initiatives

❑ We have begun a dialogue about managing the entry points to HITSP in a predictable, repeatable way that does not compromise core tenets
