The HITSP Technical Committees and Tiger Teams have edited the HITSP Interoperability Specifications and related constructs to address the comments received during the November 9th through December 4, 2009, public review and comment period. Additionally, other edits that are of a minor and technical nature have been applied to the HITSP Interoperability Specifications and constructs as well.

HITSP members will be asked to approve these documents at the January 25, 2010 Panel meeting. The documents are accessible through www.hitsp.org. Questions about the HITSP documents for Panel approval, or the process for approval should be addressed to [Michelle Maas Deane](mailto:mmaasdeane@ansi.org), the HITSP Secretariat, at mmaasdeane@ansi.org.
