Tools to Support Project Planning

▶ Planning Worksheets

  – Used by Perspective TCs to "hand-off" existing constructs to the Domain TCs

  – Used by the Perspective TCs to "hand-off" planned work items (that do not have an existing constructs) to the Domain TCs

  – Use by Domain TCs to analyze construct requirements

▶ Preliminary Project Plan Template

  – Word document template that may be used by the TCs to document their plans for the new 2008 Use Cases

Preliminary Project Plan Template

▶ Use Case Description

▶ Proposed Approach

   – Scope for 2008

   – Opportunities for Reuse

   – Domain TC Support Required

▶ Proposed Timeline (Key Milestones)
