

## **USNC/IEC GUIDANCE BULLITEN #6**

### **Availability of Published IEC Standards**

Many USNC TAG Leaders subscribed to IEC's weekly NEWDOCS service, an automatic E-Mail announcement of new working documents added to the IEC Server. IEC also has available an equally informative, twice monthly electronic service called JUST PUBLISHED, the description of which is provided at [http://www.iec.ch/online\\_news/justpub/](http://www.iec.ch/online_news/justpub/)

### **IT IS STRONGLY RECOMMENDED THAT YOU SUBSCRIBE TO THIS SERVICE AS WELL.**

USNC Technical Advisors, Deputy Technical Advisors and TAG Secretaries have the right to request of the USNC Staff gratis, watermarked copies of newly published IEC standards under the jurisdiction of their TC/SCs.

When you see a published standard under your TC/SC's jurisdiction request a copy from Mr. Kevin Sullivan, USNC Program Administrator at [ksullivan@ansi.org](mailto:ksullivan@ansi.org) (Tel: 212-642-4963). The document will be sent to you as a pdf file or if the request is for multiple files they will be posted on the ANSI Website in a password protected area. .

If your TAG is considering the adoption or adaptation of an IEC Standard and you must request authorization from the USNC General Secretary, Tony Zertuche (Tel: 212 642 4892 E-Mail ([tzerutche@ansi.org](mailto:tzerutche@ansi.org) ) in accordance with the related USNC Policy and, if you require a revisable copy for this purpose, one can be provided..

Upon receipt of the standard we request to notify your TAG participants that the standards are now available and how they can be ordered electronically from the ANSI Electronic Standards Store at <http://webstore.ansi.org/> . As USNC TA/DTA and TAG Secretary, you are receiving this complimentary copy to be retained by the TAG Secretary for use by the TAG in accordance with the approved maintenance cycle of the document(s) and as a reference document when participating in related IEC standards development activities.

Please be aware that IEC International Standards are copyrighted documents. If it becomes necessary to reproduce a copy of any IEC International Standard for the purposes described above, please notify the USNC Office and affix a notation to the cover of the document, or include an appropriate notification, reproducing the following statement:

**REQUIRED STATEMENT FOR**  
**INCLUSION ON IEC STANDARDS OR WORKING DOCUMENTS PROVIDED**  
**FREE OF CHARGE FOR USE IN USNC TAG STANDARDS DEVELOPMENT**  
**ACTIVITIES**

“All IEC Standards and Working Documents are copyrighted by the IEC. This copy, without regard to its form or media, whether a complete copy of an IEC Standard or Working Document or extracted portions from an IEC Standard or Working Document, retains all IEC copyrights. The conveyance of this copy does not affect IEC copyrights or transfer any copyrights.

This copy is for the exclusive use by the recipient only in the development of USNC position(s) on the development, evaluation, use or maintenance (including adoption by US Standards Developing Organizations (SDOs)) of this or other IEC publications. No other use is authorized. No further copying, distribution or use of this document is authorized. Possession by others is not authorized. This document may not be used for commercial purposes.”
