

**CNCA No.44 Announcement: Appendix
(Unofficial Translation)**

Appendix 1

No.	Name of product		CNCA Implementation Rules
	Product category	Sub product category and code	
1	Wire and Cables	Wire and cable for railway vehicles with A.C. rated voltage of 3kv and below (0103)	CNCA-C01-01:2014
2	Electrical tools	Electric screwdriver and impact wrench (0502)	CNCA-C05-01:2014
3		Sanding machine (0504)	
4		Circular saw (0505)	
5	Electric welder	Small AC arc welder (0601)	CNCA-C06-01:2014
6		AC arc welder (0602)	
7		Submerged arc welding machine (0606)	
8		Plasma arc welder (0608)	
9		Arc welding transformer anti-shock device (0609)	
10		Welding cable coupling device (0610)	
11	Resistance welder (0611)		
12	Audio and video equipment	Tuning receiver, radio for various broadcast bands (0804)	CNCA-C08-01:2014
13		Monitor (0809)	
14	Motor vehicle and safety accessories	Automotive interior parts (1111)	CNCA-C11-09:2014
15		Car door locks and door hinges (1112)	CNCA-C11-10:2014

16	Safety glass	Railway vehicle safety glass (1303)	CNCA-C13-01:2014
17	Telecommunications terminal equipment	Fixed telephone terminal and telephone add-on devices (1603)	CNCA-C16-01:2014
18		Group phone (1605)	

Appendix 2

Number	Name of product		CNCA Implementation Rules	Procedure A/B	Remark
	Product category	Sub product category and code			
1	Electrical tools	Electric drill (0501)	CNCA-C05-01:2014	Self-declaration procedure A (Type test in optional laboratory + self-declaration)	Newly added
2		Electric grinder (0503)			Newly added
3		Electric hammer (0506)			Newly added
4	Electric welder	DC arc welder (0603)	CNCA-C06-01:2014	Self-declaration procedure B (Type test in designated laboratory + self-declaration)	Newly added
5		TIG arc welder (0604)			
6		MIG/MAG arc welder (0605)			
7		Plasma arc cutting machine (0607)			
8	Circuit switch and electrical device for protection or connection	Thermal fuses (0205)	CNCA-C02-01:2014	Self-declaration procedure B (Type test in designated laboratory + self-declaration)	Newly added

9		Cartridge fuse-links of miniature fuses (0207)			Newly added
10	low-voltage apparatus	Leakage protector (0306)	CNCA-C03-02:2014		Newly added
11		Circuit breaker (0307)			Newly added
12		Fuse (0308)			Newly added
13		Low-voltage switchgear (disconnectors, switch-disconnectors and fuse-combination units)0302)			Newly added
14		Other circuit protection devices (0304, 0307, 0309)			Newly added
15		Relay (0303)			Newly added
16		Other switches (0305)			Newly added
17		Other device (0304, 0305)			Newly added
18		low-voltage switchgear assemblies (0301)		CNCA-C03-01:2014	
19	Low power motor	Low power motor (0401)	CNCA-C04-01:2014		
20	Equipment for Household and similar uses	Motor-compressor (0704)			
21	Motor vehicle and safety accessories	Car seat belt (1104)	CNCA-C11-04:2014		Newly added
22		Motor vehicle exterior lighting and light signal	CNCA-C11-07:2014 CNCA-02C-065:2005		Newly added

		devices (1109, 1116)			
23		Car seat and seat headrest (1114)	CNCA-C11-12:2014		Newly added
24		Motor vehicle indirect vision device (1110, 1115)	CNCA-C11-08:2014 CNCA-02C-064:2005		
25		Car drive recorder (1117)	CNCA-C11-14:2014		
26		Car reflecting marking (1118)	CNCA-C11-13:2014		
27	Safety glass	Car safety glass (1301)	CNCA-C13-01:2014		Newly added
	Information technology equipment, Audio and video equipment	Equipment with rated voltage less than or equal to 5VDC, rated power consumption less than 15W (or 15VA) and no rechargeable battery (class III equipment)	CNCA-C09-01:2014 CNCA-C08-01:2014	Self-declaration procedure A (Type test in optional laboratory + self-declaration)
