### proficiency Test Provider

Operator(s) Certified to PT Scheme for Identified AS6171 Test Methods

- AS6171A, Test Methods Standard; Counterfeit Electronic Parts, SAE G-19A
- AS6171B, Counterfeit Electronic Parts; Avoidance, Detection, Mitigation, and Disposition. SAE G-19D
- AS6171C, Compliance Standard or Guide (Includes Audit Checklist). SAE G-19C

### Standards

- **AS6171A**: Test Methods Standard; Counterfeit Electronic Parts, SAE G-19A
- **AS6171B**: Counterfeit Electronic Parts; Avoidance, Detection, Mitigation, and Disposition. SAE G-19D
- **AS6171C**: Compliance Standard or Guide (Includes Audit Checklist). SAE G-19C
- **AS6174A**: Counterfeit Materiel; Assuring Acquisition of Authentic and Conforming Material. SAE G-21
- **AS6174B**: Counterfeit Electronic Parts; Avoidance, Detection, Mitigation, and Disposition Verification Criteria. SAE G-19C
- **AS553B**: Counterfeit Electronic Parts; Avoidance, Detection, Mitigation, and Disposition. SAE G-21
- **ARP538**: Guideline for Development of Counterfeit Electronic Parts; Avoidance, Detection, Mitigation, and Disposition Systems. SAE G-19C
- **AIR6273**: Terms, Definitions, and Acronyms - Counterfeit Materiel or Electrical, Electronic and Electromechanical Parts. SAE G-19T
