CDISE

Learn. Perform. Protect.

Workforce Federal Training Session

15 May 2017

DSS as Functional Manager

- The Defense Security Service (DSS) is the security community functional manager for Department of Defense (DoD) security education, training, and certification
- The security community consists of security personnel and positions throughout DoD and worldwide

Center for Development of Security Excellence

A nationally-recognized, accredited, and award-winning organization supporting national security

Center for Development of Security Excellence
CDSE
Learn. Perform. Protect.

MISSION

Provide the Department of Defense (DoD) with a security center of excellence for the professionalization of the security community and be the premier provider of security education and training for the DoD and industry under the National Industrial Security Program (NISP). The CDSE provides development, delivery, and exchange of security knowledge to ensure a high-performing workforce capable of addressing our nation's security challenges.

CERTIFICATION

VALIDATING SECURITY PROFESSIONAL
ACHIEVEMENT OF SKILLS AND COMPETENCIES

PROFESSIONALS AND PROVIDING
AWARENESS TO ALL

Evolution

1972: DoD Security Institute (DoDSI)

- DoDSI chartered to execute security program training mission

1996: Personnel Security Investigations Training Group (PSITG)

- Defense Security Service (DSS) created the PSITG to train DSS Special Agents to conduct background investigations

1997/98: DSS Training Office

- DoDSI closed; training mission transferred to DSS

2000: DSS Academy (DSSA)

- DSS established DSS Academy in Linthicum, Maryland

2003: COE Accredited

CDSE accredited by the Council on Occupational Education

1999: DoDD 5105.42

DSS officially delegated security program training mission
USD(I) given authority, direction, and control of DSS
DSS Director signed DSSA charter

2006: DS3

DoD Security Skill Standards (DS3) published

2007: DoDI 3305.13

Policy, standards, and procedures established for DoD security training

DSS Director assigned as functional manager

Security Professional Education Development (SPeD) program established as the DoD-level security education, training, and certification program

2008: DSS Study

Focused on reinvigorating SETA, DoD Security Training Council (DSTC) established as the advisory board on DoD security training

2010: DSS Director Memo

Established CDSE

2011: DoD 3305.13-M

Established SPeD Certification Program Policy

2012: SFPC Accredited

Security Fundamentals Professional Certification (SFPC) accredited by NCCA in December 2012

2013: DoDI 3305.13

Instruction updated to clearly define functional manager responsibility to include security education, training, and certification

2014: SAPPC Accredited

Security Asset Protection Professional Certification (SAPPC) accredited by NCCA in January 2014

2015: SPIPC Accredited

Security Program Integration Professional Certification (SPIPC) accredited by NCCA in February 2015

2016: PSC Accredited

Physical Security Certification (PSC) accredited by NCCA in August 2016

Center for Development of Security Excellence

A nationally-recognized, accredited, and award-winning organization supporting national security

Professionalize

- Education: Develop future security leaders
- Training: Support today's security practitioners
- Certification: Validate security professional achievement of skills and competencies

Support

- DoD Functional Community Manager for Security Training
- Responsibilities outlined in:
 - DoDD 5105.42
 - DoDI 3305.13
 - DoDM 3305.13-M
- Defense Intelligence Enterprise Human Capital Strategic Plan
- ICD 610
- DoD Security Skill Standards (DS3)

Audience

- DoD civilian and military personnel
- Industry
- Other U.S. Government personnel
- Employees of foreign governments

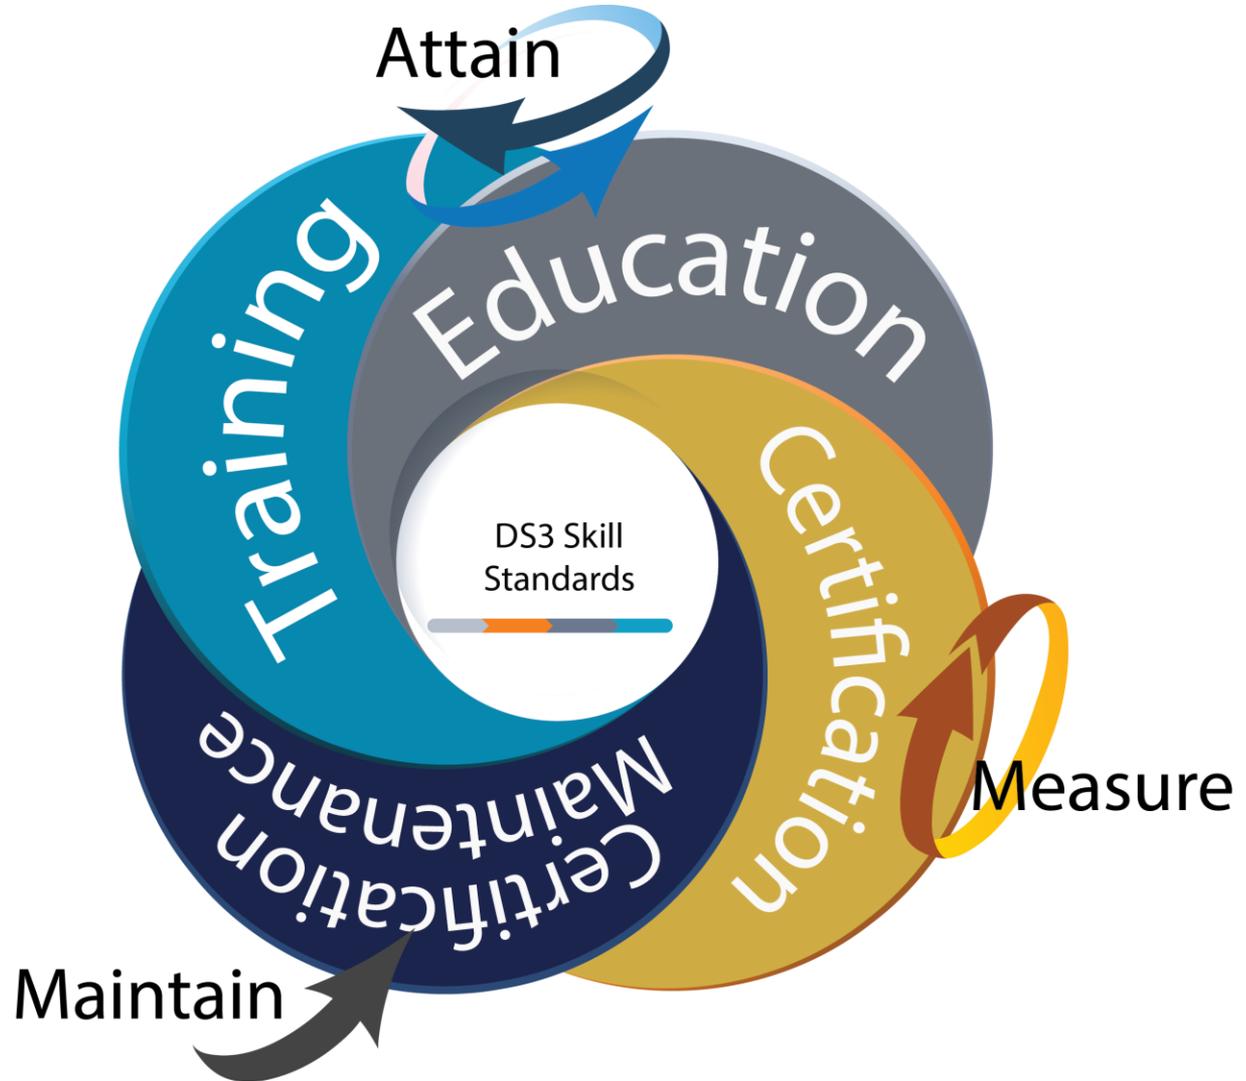

Products and Services

- eLearning Courses
- Instructor-led Courses
- Asynchronous Collaborative Learning
- Webinars
- Toolkits
- Shorts (Security Short Format Learning)
- Job Aids
- Security Professional Education Development (SPeD) Certification Program

DS3 Skill Standards

Education

SEVENTEEN COLLEGIATE-LEVEL SECURITY COURSES

Unique curriculum designed specifically to develop future security leaders

Delivered as Virtual Instructor-led

Highly qualified SME instructors

ACE Credit recommendations allow students to transfer credit

Pursuing authority to grant Masters degree in Security

EDUCATION CERTIFICATES

Attained by successfully completing four Education courses

Students can register for Certificates at any time via their STEPP account

AUDIENCE

U.S. Government civilians

Military personnel
