

**American National Standards Institute
Electric Vehicles Standards Panel (ANSI EVSP)**

Participating Organizations

AAA, Inc.
Agin Gump
Amphenol
Argonne National Laboratory
C&D Technologies and Trojan Battery Company
CALSTART
CSA Group
Daimler Truck
Electric Applications Incorporated
EMBRAER
Energys
Engineering
EPRI
Fermata Energy
General Motors Company
Idaho National Laboratory
InCharge Energy
Intertek
Kiosk Association
LineHaul Station
Massachusetts Department of Transportation
Mercedes Benz Research and Development
North America, Inc
Mersen
Momentum Dynamics
National Renewable Energy Lab
NECA
NEMA
NFPA
NIST
Northrop Grumman
Nuvera Fuel Cells
Oak Ridge National Laboratory
Oncor Electric Delivery
Pacific Northwest National Laboratory
Powertech Labs Inc.
Redland Energy Group
SABIC
SAE International
Schneider Electric
Shoals Technologies Group
Siemens
Southwest Research Institute
Stryten Energy
SUNY Erie Community College
TWAICE

UL LLC
University of California, Irvine
USACE-ERDC-CERL
USCAR
Volkswagen Group of America
Volvo Trucks North America
Wagner Energy Consulting
WattsButler
