

## American National Standards Institute Electric Vehicles Standards Panel (ANSI EVSP)

### Participating Organizations

1 Grid Solutions, LLC  
AAA, Inc.  
Adopt a Charger  
Agin Gump  
Amphenol  
Argonne National Laboratory  
ASME  
Association of Equipment Manufacturers (AEM)  
Black & Veatch  
C&D Technologies and Trojan Battery Company  
CALSTART  
Cavotec  
ChargePoint, Inc.  
CSA Group  
Daimler Truck  
Electric Applications Incorporated  
EMBRAER  
EnergyHub  
Energys  
Engineering  
EPA  
EPRI  
ERMCO, Inc.  
EV-ENERGY  
EVoKe Systems  
Fabcon  
Fedex  
Fermata Energy  
Ford Motor Company  
FreeWire Technologies  
General Motors Company  
Hendry & Associates  
Idaho National Laboratory  
InCharge Energy  
International Code Council  
Intertek  
IoTecha  
Kiosk Association  
Lawrence Berkeley National Laboratory  
LineHaul Station  
Magna International  
Massachusetts Department of Transportation  
Mercedes Benz Research and Development  
MotoRad  
North America, Inc  
Mersen  
Momentum Dynamics  
National Renewable Energy Lab  
National Rural Electric Cooperatives Association  
NECA  
NEMA  
NFPA  
NIST  
Northrop Grumman  
Nuvera Fuel Cells  
Oak Ridge National Laboratory  
Oncor Electric Delivery  
Pacific Northwest National Laboratory  
Powertech Labs Inc.  
PSEG  
Public Service Electric & Gas  
RaceTrac Inc  
Recreation Vehicle Industry Association (RVIA)  
Redland Energy Group  
REMA  
SABIC  
SAE International  
SAE Metropolitan Section  
Schneider Electric  
Shoals Technologies Group  
Siemens  
Sierra Club  
Southwest Research Institute  
Stryten Energy  
SUNY Erie Community College  
Tesla  
THOR Industries Inc.  
Transport Energy Strategies  
TWAICE  
UL LLC  
University of California, Irvine  
USACE-ERDC-CERL  
USCAR  
U.S. Department of Energy (DOE)  
United States EPA  
Volkswagen Group of America  
Volvo Trucks North America  
Wagner Energy Consulting  
WattsButler  
WiTricity Corp  
Xanthus Consulting International
