

Standards are everywhere!

Can you spot any?

See
key on the
opposite
side

These are just a few of the thousands of standards that improve the safety, quality, and performance of the structures, products, and processes we rely on every day – as in the house scene on the other side.

- 1 **ISO 10272**, *Microbiology of food and animal feeding stuffs*
- 2 **ANSI Z80.3**, *Nonprescription sunglass and fashion eyewear requirements*
- 3 **IEC 62684**, *Interoperability specifications of common external power supply for data-enabled mobile telephones*
- 4 **SAE J 1855**, *Deployment of electrically activated automotive air bags*
- 5 **IEC 61851-1** *Electric vehicle conductive charging system - General requirements*
- 6 **IEC 60335-2-95**, *Safety requirements for drives for vertically moving garage doors for residential use*
- 7 **NFPA 5000**, *Building Construction and Safety Code*
- 8 **ANSI/ASHRAE 55**, *Thermal environmental conditions for human Occupancy*
- 9 **UL 1777**, *Standard for safety for chimney liners*
- 10 **ISO/IEC TR 29108**, *Information technology - Terminology for intelligent homes*
- 11 **ASTM C62-13a**, *Standard specification for building brick*
- 12 **ASAE D321.2**, *Dimensions of livestock and poultry*
- 13 **NSF/ANSI 51**, *Food equipment materials*
- 14 **ISO/IEC 18046**, *Radio frequency identification device performance test methods*
