

# STANDARDS AND THE GLOBAL SUPPLY CHAIN

Hosted by

**THURSDAY, MARCH 12, 2015**

11:30 a.m. – 2 p.m. ■ Cannon Caucus Room  
345 Cannon House Office Building

*This is a widely attended event at which a simple brown bag lunch will be served.*

A dialogue with U.S. leaders on global supply chain initiatives and how voluntary standards and conformance are playing a significant role in creating solutions that cross borders.

## MORE INFO

Scott Cooper  
[scooper@ansi.org](mailto:scooper@ansi.org)

### Topics will include:

- Worker safety and the new international standard, ISO 45001
- Anti-bribery initiative, ISO 37001
- Global food safety efforts, including the FDA's *Food Safety Modernization Act*
- Global distribution of clean and efficient cookstoves
