CALL FOR NOMINATIONS

two thousand and ten leadership and service awards

On behalf of the ANSI Board of Directors and its Awards Committee, I am pleased to invite your nomination of deserving candidates for the Institute's 2010 Leadership and Service Awards.

This annual awards program is a long-standing ANSI tradition. It recognizes the imaginative work that is accomplished when individuals with diverse backgrounds and perspectives come together to develop standards and compliance-based solutions that strengthen our economy and protect our well-being. The testimonies hold true from year to year: award nominees share a common characteristic. Each has dedicated considerable efforts to activities that will promote American competitiveness in a global marketplace, safeguard the environment, and improve the quality of life for workers and consumers around the world.

ANSI invites your identification of outstanding achievements across the broad spectrum of ANSI members and constituents. The 2010 award recipients will join a long and distinguished list of past honorees who have left their mark in the history of the ANSI Federation and the standardization community worldwide.

We look forward to receiving your nominations.

eligibility of candidates and sponsors

- Any member of the U.S. voluntary consensus standards and conformity assessment community, with the exception of current officers of the Institute's Board of Directors and current members of ANSI staff, is considered eligible for an award.
- Nominations may be submitted by any member of the Institute; by members of any ANSI board, committee council, or other group; or by the members of any ANSI-accredited standards developer or certification body.
- Nominations submitted with the endorsement of an entire group will be given appropriate consideration by the Awards Committee.
- Nominations submitted directly from ANSI staff will be considered at the discretion of the Awards Committee.

nominations

elements of the nomination submittal

- Identification of the award for which the individual or group is being nominated
- Name of nominee, current title, and contact information (please include business address, telephone, fax, and e-mail)
- Information on the nominee's professional career, including a summary of the nominee's participation in and contribution to organizations engaged in standardization, certification, or measurement (indicate positions held and accomplishments)
- A 100- to 200-word biographical statement of the individual's eligibility for the award for which he or she is being nominated (see *award descriptions for more information*)
- A *personal* statement from the sponsor, suitable for quotation in the nominee's biography to the Awards Committee, regarding one or more specific accomplishments
- A statement of the sponsor's authority to make the nomination, particularly if the nomination is on behalf of a committee or organization
- A statement regarding the availability of the sponsor, or the sponsor's designee, to participate in the presentation of awards during a formal banquet and presentation ceremony on Wednesday evening, September 22, 2010, in Arlington, VA
- Sponsor's name, title, organization, contact information, and signature

Nomination forms are available online at www.ansi.org/awards

deadline

Nominations must be received by ANSI no later than Friday, July 16, 2010 (5:00 pm Eastern)

Late submissions will be considered at the discretion of the awards committee

selection process

- The Awards Committee, consisting of the chairman, immediate past-chairman, and the current vice-chairmen of the ANSI Board of Directors, will consider the nominations received for each award.
- Selections are made based on the comparison of data submitted against the description of each award.
- An announcement of the 2010 recipients will be made by early-August so as to allow adequate time for notification to the award recipient and his or her nominator prior to the presentation ceremony.
- The Awards Committee reserves the right to present a nominee with an award other than the one for which he or she was nominated.
- Only one Medal per year will be awarded in each classification; at the discretion of the Awards Committee, multiple recipients may be named for each of the other award categories.
- If, in the judgment of the Awards Committee, no candidates meet the eligibility requirements, an award may not be given.
- At the discretion of the nominator, candidates not selected for an award may be resubmitted for reconsideration in a subsequent year.
- Each final nominee, selected in accordance with these procedures, will be requested to provide additional biographical information, a photo, and an indication of his or her availability to accept the award at the September 22, 2010, banquet and presentation ceremony.

selection

awards banquet and ceremony

- The 2010 ANSI Awards Banquet and Ceremony will be held on Wednesday evening, September 22, in conjunction with the U.S. Celebration of World Standards Week.
- The event begins with a reception at 6:00 pm, followed by a banquet and presentation ceremony at 7:00 pm.
- Each award recipient and his/her companion will be invited to attend the event as a guest of the American National Standards Institute.
- Additional reservations are \$120 per person for ANSI members and \$145 per person for non-members.
- All reservations are requested by September 7.
- Hosted tables for ten (10) guests can be arranged; please contact ANSI for details.

gerald h. ritterbusch conformity assessment medal

The Gerald H. Ritterbusch Conformity Assessment Medal honors distinguished service in promoting the understanding and application of conformity assessment methods as a means of providing confidence in standards compliance for the marketplace.

The award is named for Gerald H. Ritterbusch, retired director of standards and regulations at Caterpillar. There, he led standards development efforts in the earth-moving industry which included chairmanship of International Organization for Standardization (ISO) Technical Committee (TC) 127, *Earth-moving machinery*. In addition, Mr. Ritterbusch made many contributions to ANSI governance through long-standing service on the Board of Directors, Executive Committee, and the Company Member Forum. A stalwart champion in the formative years of ANSI's Accreditation Programs and voice of industry needs, he was chairman of ANSI's Board Committee on Conformity Assessment (precursor of today's Conformity Assessment Policy Committee) as well as chairman of the Joint Oversight Board of the ANSI-RAB National Accreditation Program (predecessor to the ANSI-ASQ National Accreditation Board, or ANAB). Mr. Ritterbusch was also the recipient of the Howard Coonley Medal in 2002.

2010 marks the first year that nominations have been accepted for this award.
