**U.S. CELEBRATION OF WORLD STANDARDS DAY 2008**  
*Intelligent and Sustainable Buildings*

Thursday, October 23, 2008  
5:30 — 9:00 pm

Ronald Reagan Building and International Trade Center  
Washington, DC

Hosted by the U.S. Celebration of  
World Standards Day Planning Committee

Co-chairs: American National Standards Institute  
and the National Institute of Standards and Technology

A global celebration of the role that standardization programs play in ensuring safety requirements; facilitating coordination among contractors, builders, engineers, and architects; and incorporating new technologies in the design and construction of intelligent and sustainable buildings.
