

## SDO Profile Response Form

StandardsPortal ([www.standardsportal.org](http://www.standardsportal.org)) is an online resource designed to facilitate more open and efficient trade between the U.S. and other countries in the area of standards, conformity assessment, and technical regulations. The Portal currently houses profiles of U.S.-based Standards Developing Organizations (SDOs) in order to highlight and promote the important activities and contributions of these organizations in the U.S. and abroad, to make the decentralized U.S. system more accessible to foreign stakeholders, and to encourage increased foreign stakeholder participation in these organizations.

To submit a profile, please follow these steps:

1. Complete the following form
2. Return this form and a .jpg, 120 x 120 pixel version of your organization's logo to ANSI by clicking "Submit by Email" above. Remember to attach your logo before sending the Email.
3. Upon receipt of this form, you will be sent a proof of your organization's profile page, and given an opportunity to review the proof before the page is uploaded to StandardsPortal.
