

The Intersection

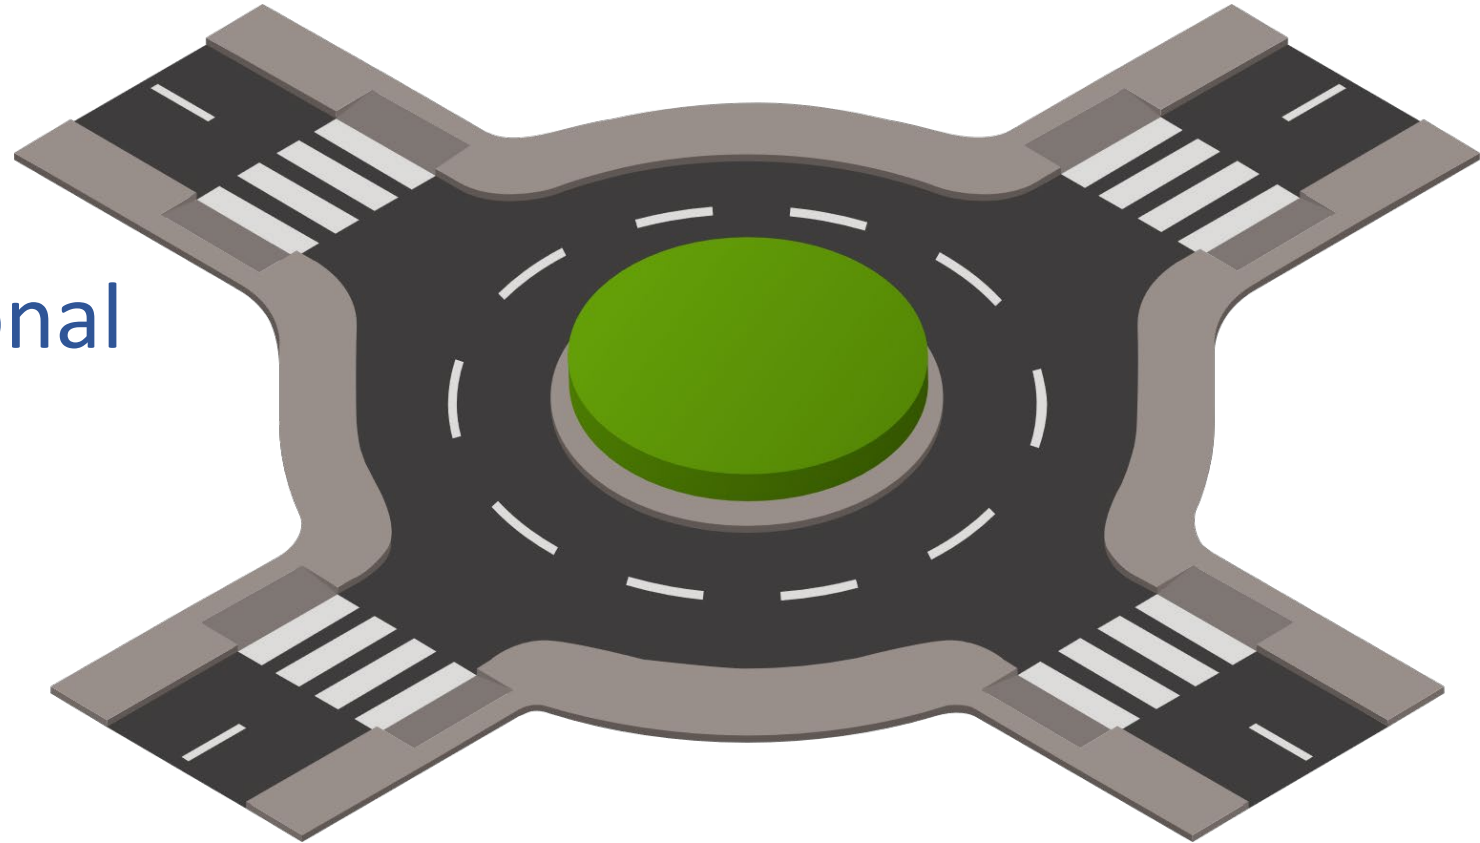

of Education & Certification

Presented by:

- Christy Uden, Chief Operating Officer, BCSP
- Marya Ryan, Program Director, BCSP

Navigation

- Alternative to Traditional
- Pace
- Choice
- Cooperation

Building Pathways: Challenges and Solutions

- Differentiating Quality Certifications
- Collaboration
- Sharing Data and Tracking Outcomes

Opportunities for Intersection

- Cultivate graduates' career trajectory
- Curriculum and blueprint overlap
 - Qualified Academic Programs
 - Awarding Designations

Testimonial

“Having the [BCSP] QAP stamp of approval...is now a large part of our evidence, to explain how we know we’re teaching the correct material. It’s all about the student and the value they bring as graduates to potential employers...the better they are equipped and the better they do, the better the program is.”

Dr. Wayne Hartz, PhD, CSP

Keene State College

Thank You

&

Stay Safe.
